Dear Eric,

This letter is to let you know that Rodale has officially accepted *Iron Yoga: Combine Yoga and Strength Training for Weight Loss and Total Body Fitness*, for publication. This title is on schedule to be published in Spring 2005.

I just want to thank you for the thorough job you did in putting this book together. The copy was clean, read smoothly, and was well organized, which made my job as editor so much easier. I also appreciated that fact that all 100+ photos were clearly labeled as well as key lined correctly in the manuscript, so that I could easily match the exercise instruction to the photo. In addition, your timeliness in responding to queries was also extremely helpful, and kept us on track for a project on an extremely tight deadline.

I hope you'll be pleased with the final product, Eric, and hopefully we'll be able to work together again in the future.

All Best,
